Summary

The Toronto Humane Society is looking to fill the position of Registered Veterinary Technician who, under the direction of the Manager, Nursing Care will primarily be responsible for the delivery of treatments, and other medical care to the animals in the charge of the Toronto Humane Society. This position will liaise with Veterinarians and other animal care staff to provide information on patient status as well as maintain positive relationships with all departmental staff to maximize the life-saving capacity of the Toronto Humane Society.

Job Duties

- Medication Administration
- Daily Husbandry Care
- Surgical Duties, to include but not limited to; Intubation, Induction, Monitoring, Surgical Preparation
- Work area medical supply stocking
- Diagnostics
- Radiography
- Performing non-surgical dental procedures
- Animal Restraint
- Physical Exams
- Client Communication
- Demonstrate cooperation among other staff members in order to ensure efficiency of care and support for patients
- Provide ongoing advocacy and support to patients
- Documenting using computer software program
- Ensure commitment to quality, patient safety, and risk management initiatives
- Maintain a professional appearance, demeanour, and attitude at all times
- Be aware of and work within the regulations of all Toronto Humane Society policies and protocols
- Other Duties as required in the day to day operation of the Society

Qualifications and Skills

- Registered Member in good standing with Ontario Association of Veterinary Technicians
- Strong knowledge of all essential competencies required to maintain RVT status
- Capacity to work both independently as well as member of a 20+ medical care delivery team
- Absolute commitment to maintain high levels of quality patient care

Work Conditions

- Flexible hours including evenings, weekends, and holidays
- Working in a busy environment with frequent interruptions
- Occasional overtime
- May involve the lifting, carrying, pushing, and/or pulling of heavy to moderately heavy objects and materials and some combination of climbing and balancing to include stooping, kneeling, crouching, and crawling
- Performance of essential functions may require exposure to adverse environmental conditions, such as dirt, dust, pollen, odors, wetness, humidity, weather, temperature and noise extremes, hazardous materials, traffic hazards, bright/dim lights, toxic agents, animal/wildlife attacks, animal/human bites, disease, pathogenic substances, or rude/irate customers.

Benefits

- A culture that values diversity, inclusion, compassion and excellence
- A friendly, professional work environment
- Opportunities for advancement
- Training opportunities
- Benefits package for full-time permanent positions
