HUMANE OPEN

2026 Partnership Opportunities

Thursday, September 24
Angus Glen Golf Club

ABOUT THE EVENT

Your Partnership Keeps Pet Families Together

The Humane Open continues to advance animal welfare, ensure access to care, and keeps pets where they belong - with their families.

The fourth annual Humane Open hosted by Toronto Humane Society is a unique opportunity to connect with fellow animal lovers and supporters of Toronto Humane Society while raising funds to help our mission to improve the lives of animals. Enjoy friendly scramble competition in the shot gun start tournament with skills challenges, fun activations on every hole, incredible swag gifts, and a meat-free bbq lunch and plated dinner with your fellow golfers.

YOUR IMPACT: KEEPING PETS AND FAMILIES TOGETHER

When Ranita was told that her beloved dog Chula, a 9-year-old Presa Canario, was suffering from pyometra, a life-threatening condition, her world stopped. Without the financial means to cover the urgent surgery, Ranita made the heartbreaking decision to book an at-home euthanasia appointment.

But when the veterinarian arrived, Ranita couldn't say goodbye.

Desperate to save her dog, she reached out to Toronto Humane Society. **Thanks to the support of compassionate partners and donors, our veterinary team was able to step in immediately and schedule a lifesaving spay surgery for Chula.**

The surgery was a success.

Today, Chula is back home — safe, healthy, and deeply loved — right where she belongs.

WHY YOUR SUPPORT MATTERS

This is the impact of partnership. Your support advances access to care and makes it possible to provide urgent veterinary care when families have nowhere else to turn. It prevents impossible choices, saves lives, and keeps pets with the people who love them most.

Together, we ensure that financial barriers never have to mean losing a family member.
